## ***Applewood Snow Expectations***

- \* You can go on the field if you have boots or outdoor shoes.
- \* You can sit down to play and build if you are wearing snowpants.
- \* You need to wear all the ‘warm’ things you’ve been sent to school with.
- \* You must stay off all the hills, at all times.
- \* You must stay off the ice patches, at all times.
- \* You can build snowmen and structures.
- \* You cannot throw or kick snow.

Remember there are consequences for not following these expectations.

*Thank you for  
your co-operation  
**Have fun! Stay warm!***

*Be safe!*
