

Applewood Public School Fund Raiser

Goal: To raise money to make the required repairs to our primary playground perimeter. The repairs for the playground are very costly and are essential to meet safety requirements.

How? Backed by popular demand, we have set aside a date with MacMillan Company to have cookie dough, muffins and extras in time for the holiday season.

When: As you gather with families this weekend, perhaps you will be able to canvass them and gather orders. The available products are freezer friendly and can be used over the next few months for sure! Canvassing from door to door is NOT recommended.

What: All money is due at the time of the order. Cash is acceptable or ONE cheque for your whole order made payable to: **Applewood School Council** is also appreciated.

Orders due: no later than **Wednesday, November 4th**. The students can bring them to their teachers. Money/Cheque and the order form clearly marked and filled out completely is the easiest to ensure your order is placed with the items you request.

Prizes: Top Seller: Penn Centre Gift Certificate \$100

Next Top Seller: Penn Centre Gift Certificate \$50

There will be a variety of draw prizes for all students to participate in as long as they have sold product.

Product Goal: In the past our “small but industrious school” has sold 600 buckets of dough. Can we match or surpass this? Have fun with this, as the product should all but sell itself. Ask friends, neighbours, family members and co-workers.

Delivery Date: TBA

Thanks for your support!
