

Congratulations to the following students, who were nominated by their teachers, for being Great Gators. These students consistently demonstrated Respect and Responsibility, always tried their hardest to achieve their academic potential, and did not need reminders regarding how to behave in class or around the school. This plaque, which is hung for all to see, was donated by Mr. J. Wilson, in his June 2007 retirement, to be used as a legacy to honour our **"Greatest Gators!"**
